

### **Prerequisites for students**

Students are eligible to enroll in the PSYC 4825 Senior Thesis if they meet all of the following requirements.

<b>Checklist</b>	yes	no
My GPA is at least 3.25.		
I will start the thesis in the senior year of my UG studies <i>or</i> received special permission for an earlier beginning of the thesis by the UG thesis coordinator.		
I have successfully completed PSYC 1100 Introduction to Psychology, PSYC 2750 Introduction to Measurements and Statistics and PSYC 2825 Introduction to Research Methods.		
I take responsibility for following the departmental thesis guidelines.		
I know that writing the thesis requires my sole responsibility for working independently and conducting an empirical research project.		
I have found a thesis advisor and agreed on a topic with her/him.
