

Prerequisites for thesis advisors

In general, any psychology research or adjunct faculty member is eligible to advise a Senior Thesis. Please regard the following checklist before you decide to become a thesis advisor.

Checklist	yes	no
I have an interest in and I am familiar with the research area of the thesis topic.		
I will be available for the student throughout the entire thesis process.		
I will ensure that thesis format and writing follow APA guidelines.		
I will ensure that the thesis includes an empirical part (either quantitative or qualitative research).		
I will attend the Advanced Psychology Lab for the two required student thesis presentations.
