EDUCATION

- 2007 Ph.D. in Evolutionary Psychology, School of Biological Sciences, University of Liverpool, UK.
Thesis: An evolutionary approach to human social behaviour: the case of smiling and laughing.
Supervisor: Prof. Robin I. M. Dunbar.
- 2001 Licence in Psychological Sciences, University of Liège (B). (5-year degree, Master equivalent)
Thesis: Ecology, social behaviour, and inter-specific relationships in a free-ranging group of bonnet macaques (*Macaca radiata*). Supervisors: Dr Marie-Claude Huynen and Prof. Govindasamy Agoramorthy.
-

PROFESSIONAL APPOINTMENTS

- 2018 Associate Professor, Department of Psychology, Webster Vienna Private University.
- 2013 Assistant Professor, Department of Psychology, Webster Vienna Private University.
- 2012 Senior researcher, Swiss Centre for Affective Sciences, University of Geneva.
- 2007 Postdoctoral researcher, Department of Psychology & Swiss Centre for Affective Sciences, University of Geneva.
- 2002 Field research assistant, Haut-Niger National Park, Faranah, Republic of Guinea, West Africa.
- 2001 Research assistant, Department of Psychology, University of Liège (B).
-

- Dunbar, R. I. M., & Mehu, M. (2003). Patterns of grooming and self-touching in naturalistic situations. Commissioned Report for Unilever Research Laboratories, Port Sunlight; 73pp.
-

GRANTS & AWARDS

- 2018 FWF-ANR French-Austrian Joint Research Grant, FWF I 3645-G29 (€338.189)
- 2015 Student/Faculty Collaborative Research Grant (in collaboration with Tara Pavic, MA student), Webster University (\$475)
- 2015 Faculty Research Grant (in collaboration with Peter Walla), Webster University (\$5,500)
- 2009 European Commission Seventh Framework Programme (ICT) Network of Excellence SSPNet, co-applicant with Klaus R. Scherer as a partner institution (€396.848)
- 2007 Post-doctoral fellowship from the British ESRC (+-£30.000), declined
- 2006 Linda Mealey Award from the International Society for Human Ethology (\$2000)
- 2005 Owen Aldis Award from the International Society for Human Ethology (\$5000)
- 2003 Grant from Unilever Research Laboratory, Port Sunlight (£5000)
- 2001 Grant CECODEL from the University of Liège (€1000)
-

RESEARCH PROJECTS

- 2019 Co-investigator in the FWF funded *NMES* project to Sebastian Korb P 32637-B, Department of Psychology, University of Essex, UK.
Topic: Electrical muscle stimulation and social cognition
- 2018 Principal Investigator on the FWF funded *SEDICE* project I 3645-G29, Department of Psychology, Webster Vienna Private University.
Topic: Exploring and explaining misrecognitive discrimination: field and laboratory experiments
- 2009 Researcher in charge for the Social Signal Processing Network (SSPNet) at the Swiss Center for Affective Sciences, University of Geneva.
Topics: a) Multi-level approach to emotional communication in face-to-face dyadic negotiation and conflict (NEMO); b) Theoretical development of the concepts of social signals, emotional communication, nonverbal expression of agreement and disagreement.
- 2007 Experimental research and behavior analysis, Department of Psychology, University of Geneva
Topic: Analysis of the production and perception of facial expression in the Geneva Multimodal Emotional Portrayals database (GEMEP).
- 2005 Visiting researcher at the Ludwig Boltzmann Institute for Urban Ethology, Department of Anthropology, University of Vienna, Austria.
Topic: Relationship between smiling, emotion, and personality in dyadic bargaining interactions.
- 2003 Field research for Unilever Research Laboratories, Liverpool, United Kingdom.

- Topic: Patterns of human grooming and self-touching in naturalistic situations.
- 2002 Field research in the “Haut-Niger” National Park, Faranah, Republic of Guinea.
- Topic: Ecology and behaviour of black and white colobus monkey (*Colobus Polykomos*) of West Africa in dry tropical habitat.
- 2001 Field research (undergraduate thesis project) in Tamil Nadu state, South India.
- Topic: Ecology, social behaviour, and inter specific relationships in a free-ranging group of bonnet macaques (*Macaca radiata*).
- 2000 Clinical psychology trainee in a psychiatric day hospital: l’Ancre, Oupeye, Belgium.
- Topic: Practice of cognitive and behavioural therapy techniques.
- 2000 Research assistant at the Cologne Zoological Garden, Germany.
- Topic: Practice of different observational techniques of non-human primate behaviour (*Papio Hamadryas*).
-

INVITED TALKS

- 2019 A functional analysis of facial behavior: Why should we care? Workshop “The many faces of smiling”, Department of Communication and Cognition, University of Tilburg, December 18.
- 2016 The link between social influence and information transfer in human emotional communication. Research Training Group 2070: Understanding social relationships, German Primate Center and University of Göttingen, January 27.
- 2015 Context is everywhere but how do we get to measure it? Departmental seminars, COPELABS, University Lusofona, Lisbon, June 2.
- 2015 Emotional communication or communication of emotion? An ethological perspective on the social function of affect. International symposium on social emotions in humans and animals, Museum of Natural History of Neuchâtel, Switzerland, April 13.
- 2014 Using communication as a key access point to human social cognition. Workshop of the Human Ethology Film Archive, Senckenberg Institute Frankfurt, February 13-14.
- 2014 An ethological approach to the production and perception of facial behavior, Research seminar of the Department of Basic Psychological Research and Research Methods, University of Vienna, January 23.
- 2013 Emotions in an evolutionary perspective: Function, adaptation, and communication. Interdisciplinary workshop on Affect, University of Lyon, October 7.
- 2013 Ethological questions in the study of emotional communication: Information transfer and social influence. Research colloquium of the division for personality and assessment, Department of Psychology, University of Zurich, March 21.

- 2012 The natural history of human laughter: Evolution and social function, Interdisciplinary Workshop on Laughter and other Non-Verbal Vocalisations in Speech, Trinity College Dublin, October 26-27.
- 2011 Information and influence in communication – An ethological framework to study human social signals, Tilburg Social Signal Processing Workshop, University of Tilburg, November 28.
- 2009 Why an evolutionary approach is necessary to study social signals, SSPNet Foundation of Social Signals Meeting, Roma 3 University, Rome, December 3-5.
- 2008 Smiling and the evolution of emotional communication, Departmental seminar of the Institute of Neuroscience, University of Newcastle, May 14.
-

CONFERENCE ACTIVITIES

Oral Presentations

- 2018 Gender differences in emotional communication reflect sex-specific social strategies. Consortium of European Research on Emotion (CERE), University of Glasgow, Scotland, April 4-6.
- 2017 Testosterone, personality, and behavioural mimicry in negotiation. International Convention of Psychological Science (ICPS), Vienna, March 23-25.
- 2016 Testosterone, dominance, and communicative behaviour in face-to-face dyadic negotiation. International Society for Human Ethology, University of Stirling, UK, August 1-5.
- 2015 The social function of emotional expressions in mixed motive, face-to-face, dyadic negotiation. International Society for Research on Emotion (ISRE), University of Geneva, July 8-10.
- 2015 Investigating the perception and production of facial Action Units from a dimensional perspective. 15th European Conference on Facial Expression, University of Geneva, July 6-7.
- 2015 Context is everywhere, but what is it exactly? Summer Institute of the International Society for Human Ethology, Athens, May 13-16.
- 2014 The role of personality and nonverbal behavior in face-to-face dyadic negotiation. International Society for Human Ethology, Federal University of Para, Brazil, August 5-8.
- 2014 Emotion categories and dimensions in the facial communication of affect: An integrated approach. Consortium for European Research on Emotion, Humboldt University Berlin, March 26-28.
- 2013 Unconscious influence of emotional facial expression on judgments of affiliation and dominance. International Symposium "Let's Face It", Department of Psychology, University of Bern, September 20.
- 2013 Conscious and non-conscious influence of emotional signals on person perception. European Social Cognition Network, Vilnius, Lithuania, August 27 – September 1.

- 2013 Emotion categories and dimensions in the facial communication of affect: An integrated approach. Post-conference on facial expression at the International Society for Research on Emotion, University of Berkeley, August 7.
- 2013 Unconscious influence of facial expression on judgments of affiliation and dominance. International Society for Research on Emotion, University of Berkeley, August 1-6.
- 2013 Preparation of a population based study on the incidence of normal and pathological forms of sadness. International Workshop on Normal and Abnormal Emotions, Swiss Center for Affective Sciences, University of Geneva, April 30.
- 2012 Multimodal integration of low-level auditory and visual cues in the perception of agreement and disagreement, 21st Biennial Conference of the International Society for Human Ethology, University of Vienna, August 13-17.
- 2012 Reliable Facial Muscles Activation Enhances Recognizability and Credibility of Emotional Expression, Consortium for European Research on Emotion (CERE), University of Kent, Canterbury, May 3-5.
- 2012 Negotiation and emotion (NEMO): An interdisciplinary study on individual differences in socio-emotional skills in relation to dyadic negotiation, Annual Research Forum of the Swiss Centre for Affective Sciences, University of Geneva, February 9-10.
- 2010 Why do ethologists need automatic behaviour analysis? 20th Biennial Conference of the International Society for Human Ethology, University of Wisconsin, Madison (WI), August 1-5.
- 2009 Communicative aspects of facial expression: production & perception of individual action units, Annual Research Forum of the Swiss Centre for Affective Sciences, University of Geneva, March 26-27.
- 2009 Behavioural mimicry of positive cues as a proximal mechanism for social bonding in humans, International Society for Research on Emotion, Leuven University, August 6-8.
- 2009 Emotional communication through facial displays: the role of reliable muscles, Swiss Joint Face Lab Meeting, University of Bern, November 26.
- 2008 The pros and cons of FACS in the study of facial behaviour, Summer Institute on Interactive and Multimodal Information Management and Affective Sciences, Riederalp (CH), September 1-3.
- 2008 Differences between facial expressions of four positive emotions: Implications for an appraisal perspective, 12th European Conference on Facial Expression, University of Geneva, July 28-31.
- 2008 The evolution of smiling, an old story revisited, 19th Biennial Conference of the International Society for Human Ethology, University of Bologna, July 13-18.
- 2007 The social context of smiling, International Meeting of the European Association for Facial Expression "Current and future perspectives in facial expression research: Topics and methodological questions", University of Innsbruck, September 28-29.

- 2006 Smiling in bargaining situations / Sex differences in smile perception, 18th Biennial Conference of the International Society for Human Ethology, Wayne State University, Detroit (MI), July 30 – August 3.
- 2006 Smiling and laughter as social signals in human interactions, Annual meeting of the Belgian Group for Primatology, Free University of Brussels, November.
- 2005 Sex differences in smile perception, Colloquium for Population and Evolutionary Biology, University of Liverpool, September 30.
- 2005 An evolutionary approach to smiling, 11th European Conference on Facial Expression, Durham University (UK), September 13-16.
- 2004 The relation of smiling to laughter: testing the power asymmetry hypothesis, 17th Biennial Conference of the International Society for Human Ethology, Ghent (Belgium), July 24-31.
- 2003 Nonverbal cues in social interactions among humans, Colloquium for Population and Evolutionary Biology, University of Liverpool, June 10.

Symposia

- 2017 Emotion, communication, and social interaction: A multi-level approach. International Convention of Psychological Science (ICPS), Vienna, March 23-25.
- 2010 Automatic analysis of human behavior, 20th Biennial Conference of the International Society for Human Ethology, University of Wisconsin, Madison (WI), August 1-5.

Poster Presentations

- 2019 Dyadic patterns of smiling predict interactive styles and outcomes of face-to-face negotiation. Conference of the European Evolution and Human Behaviour Association, University of Toulouse, April 23-26.
- 2017 The role of aesthetics on the attraction and satisfaction of intimate relationships. International Convention of Psychological Science (ICPS), Vienna, March 23-25.
- 2011 A psycho-ethological model of social signalling, Annual Research Forum of the Swiss Centre for Affective Sciences, University of Geneva, February 14-15.
- 2010 Reliable facial muscles' activity improves the identification and perceived authenticity of emotional portrayals, Colloquium on Social Communication of Emotion, University of Geneva, October 21.
- 2009 Behavioural mimicry of positive cues as a proximal mechanism for social bonding in humans, European Human Behaviour and Evolution Association conference, University of St Andrews, April 6-8.
- 2007 Smiles when sharing, European Human Behaviour and Evolution Association conference, London, March 28-30.

2004 Smiling and laughter in naturally occurring human interactions, Postgraduate research days, University of Liverpool, March.

TEACHING EXPERIENCE

Courses Taught at Webster Vienna Private University

- 2021 PSYC5400 Research Design, 9 weeks (SP1), 11 students (G); PSYC5900 Applied Statistics and Research Methods, 9 weeks (SP2), 10 students (G); PSYC4925 History, Philosophy, and Systems of Psychology, 14 weeks (FA), 12 students (UG); PSYC3625 Motivation & Emotion, 14 weeks (FA), 6 students (UG).
- 2020 PSYC5400 Research Design, 9 weeks (SP1), 9 students (G); PSYC5900 Applied Statistics and Research Methods, 9 weeks (SP2), 8 students (G); PSYC4925 History, Philosophy, and Systems of Psychology, 8 weeks (FA1), 11 students (UG); PSYC3000 Topics in Psychology: Evolutionary Behavioral Sciences, 8 weeks (FA2), 13 students (UG).
- 2019 PSYC5400 Research Design, 8 weeks (SP1), 11 students (G); PSYC5900 Applied Statistics and Research Methods, 8 weeks (SP2), 12 students (G); PSYC3600 Social Psychology, 8 weeks (FA1), 23 students (UG); PSYC4925 History, Philosophy, and Systems of Psychology, 8 weeks (FA2), 12 students (UG).
- 2018 PSYC2825 Introduction to Research Methods, 15 weeks, 23 students (UG); PSYC5400 Research Design, 8 weeks (SP1), 10 students (G); PSYC5900 Applied Statistics and Research Methods, 8 weeks (SP2), 14 students (G); PSYC4925 History, Philosophy, and Systems of Psychology, 8 weeks (FA1), 11 students (UG); PSYC4875 Advanced Psychology Lab, 8 weeks, 1 student (UG); PSYC3000 Topics – Nonverbal behavior, 8 weeks (FA2), 9 students (UG).
- 2017 PSYC2825 Introduction to Research Methods, 15 weeks, 25 students (UG); PSYC3550 History, Philosophy, and Systems of Psychology, 8 weeks (SP2), 16 students (UG); PSYC3000 Topics – Evolutionary Behavioral Science, 8 weeks, 16 students (UG); PSYC 1100 Introduction to Psychology, 15 weeks, 22 students (UG); PSYC 3600 Social Psychology, 8 weeks, 13 students (UG); PSYC3550/50 History, Philosophy, and Systems of Psychology, 8 weeks (FA1), 16 students (UG); PSYC3000 Topics – Nonverbal behavior, 8 weeks (FA2), 27 students (UG)
- 2016 PSYC2825 Introduction to Research Methods, 15 weeks, 7 students (UG); PSYC3550 History, Philosophy, and Systems of Psychology, 8 weeks (SP1), 13 students (UG); PSYC4000 Motivation and Emotion, 8 weeks (SP2), 9 students (UG); PSYC 3600 Social Psychology, 15 weeks, 8 students (UG); PSYC5400 Research Design, 8 weeks (FA1), 5 students (G); PSYC5900 Applied Statistics and Research Methods, 8 weeks (SP2), 7 students (G)
- 2015 PSYC2825 Introduction to Research Methods, 15 weeks, 14 students (UG); PSYC3550 History, Philosophy, and Systems of Psychology, 8 weeks (SP1), 9 students (UG); PSYC4400 Human Sexuality, 8 weeks (SP2), 10 students (UG); PSYC4610 Reading course on Emotion and Bilingualism, 1 student (UG); PSYC 3600 Social Psychology, 15 weeks, 12 students (UG); PSYC5400 Research Design, 8 weeks (FA1), 7 students (G); PSYC5900 Applied Statistics and Research Methods, 8 weeks (SP2), 7 students (G)

- 2014 PSYC2825 Introduction to Research Methods, 15 weeks, 14 students (UG); PSYC5900 Applied Statistics and Research Methods, 8 weeks (SP2), 7 students (G); PSYC4900 Senior Overview, 1 week (SP2), 11 students (UG); PSYC1100 Introduction to Psychology, 1 week, 25 students (UG); PSYC 3600 Social Psychology, 15 weeks, 8 students (UG); PSYC1500 Psychology of Adjustment, 8 weeks (FA1), 19 students (UG); PSYC5400 Research Design, 8 weeks (FA2), 8 students (G)
- 2013 PSYC1500/50 Psychology of Adjustment, 8 weeks (FA2), 18 students (UG); PSYC5400/18 Research Design, 8 weeks (FA2), 5 students (G)

Guest Lectures

- 2019 Visiting Professor at ISIR, Insitute for Intelligent System and Robotics, Université Pierre et Marie Curie, Paris. Seminars on the psychobiology of communication, motivation, and emotion.
- 2013 Invited Professor at the Free University of Brussels for the course “Emotion and conflict resolution” in the Master of Social Psychology.
- 2012 Invited Professor at the Free University of Brussels for the course “Emotion and conflict resolution” in the Master of Social Psychology.
- 2009 Guest Lecturer at the University of Geneva for the course “Applied Psychology” in the Master for Applied Psychology.
- 2008 Guest Lecturer at the University of Geneva (3 consecutive years) for the course “Emotional Expression” in the Master of Affective Science.
- 2003 Teaching assistant at the University of Liverpool (3 consecutive years) in the undergraduate courses “Experimental Design and Analysis” and “Quantitative Biology”.

Summer Schools and Other

- 2013 The social function of nonverbal behavior: Information and influence in human communication. International Summer School in Social Signal Processing, Marston Hill, Mullsjö (Sweden), August 5-10.
- 2013 What is context and how can we measure it? International Summer School in Social Signal Processing, Marston Hill, Mullsjö (Sweden), August 5-10.
- 2011 Teaching workshop “Ethological analysis of nonverbal behaviour”, Summer Institute for Human Ethology, Charles University Prague, July 5-9.
- 2011 Teaching workshop “Computational modelling of emotional expression”, International Summer School in Affective Sciences, Bossey (CH), August 22-31.
- 2010 Guest Lecturer “Methods for the measurement of facial behaviour and research applications”, Human Ethology Summer School, Charles University Prague, April 24-25.
- 2009 Training course “Facial Action Coding System (FACS)”, University of Roma Tre, September 28 – October 2.

2009 Guest Lecturer at the International Summer School in Affective Sciences, Chandolin, Switzerland, August 24 – September 2.

Training

2019 Facial Action Coding System at BlueSkeye AI, Department of Computer Science, University of Nottingham (UK), September 23-27.

2009 Facial Action Coding System at SSPNet, University of Rome 3, September 28 – October 2.

EDITORIAL AND REVIEWING ACTIVITIES

Associate editor of the *Human Ethology Bulletin*

Senior editor for *Cogent Psychology*
